

Sinclair Broadcasting's should not be allowed to air an anti-Kerry documentary days before the election. You should know the danger that has been caused by your approvals for media consolidation. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. You must enforce our democracy by making sure that this type of broadcasting is not done no matter which party it favors. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
